## Bikeability 2026-27

Dear Y4 Parents/Carers,

As last year, I have managed to book Level 1 and Level 2 Bikeability training, a cycle proficiency scheme, for the Year 5 pupils in the Autumn term, from Monday 5<sup>th</sup> October – Thursday 8<sup>th</sup> October 2026. The training, provided by Outspoken Training, is FREE to parents as the cost is being met by the County Council. The first day's sessions will take place on the school playground and then on the local roads once the instructors are happy with the children's cycling skills and competence.

Attached to this letter is a leaflet outlining the programme and a 'roadworthy' checklist for the bicycle your child will be using. Before everything is finalised, please can you return the consent form signed by a parent/carer to school by **Monday 22<sup>nd</sup> June** so we do not lose the booking and the appropriate number of tutors can be assigned to our school.

The children who have accessed this training previously have enjoyed it and it is obviously a key skill the children need to have whenever they are cycling on the roads by themselves. There may be the possibility of booking the Level 3 training later in the year for those children who pass the Level 2 course to a high enough standard. I very much hope you will support us taking up this offer.

If there are any questions, then please come and speak to me in school.

Yours sincerely,

*C Elliott*
