NEWSLETTER 23rd May 2025

Dear Parents/Carers,

MORE SPORTING SUCCESS!

On Monday I took a team of girl cricketers to the Carre's Competition at Sleaford Cricket Club. With 7 other teams taking part, we were organised into one league so that each school played each other once.

We started the day with a 48-25 win against Leasingham and this set the tone and gave the girls the confidence to improve with each match. It was lovely to see this confidence spread through the team and for them to perform in each of the matches. Many other teams faded but our resilience and determination was the best on show.

The other 6 matches resulted in wins against Digby (86-22), Winchelsea (59-28), Cranwell (108-14), Winthorpe (59-43), Walcott (45-43) and Osbournby (67-24). All the girls bowled and fielded exceptionally well with Jessica and Isla getting some big hits in to get some good run scores.

Not only did we win the event, winning all of our matches, we have now been chosen to represent our sports partnership at the County Finals which are in June! A brilliant achievement all round.

My thanks, of course, to Jessica, Chloe, Lily, Ferne, Gracie and Isla for representing the school so well and to the parents who helped with transport.

Netball

The netball team have tried their best all season, every member of the club had the opportunity to play in one of our matches, and overall they came third in the league and received bronze medals. I have been so pleased with how much they have developed and grown as individuals and more importantly as a team. They have gained confidence in their abilities which has enhanced their play, speed, movement and shooting. The team picture above played their third place play off this week against Church Lane (who were third in their league) and smashed it, winning 7-4. Well done team.

THE BIG WEEKENDER

On Saturday 7th June, we will be exhibiting a selection of artwork from the different classes at 'The Big Weekender' at the Venue. We hope that you will go along and enjoy some of our creations!

Choir members, please remember that if you sing with the choir at this event you will receive free entry for you and an adult.

BOTTLE TOPS

Many thanks, for saving all of your bottle tops to feed 'the monster' in the main entrance. You have been successful in your mission so we don't need any more. Thank you to everyone who has contributed to this

FAMILY WELLBEING GROUP

It's been a busy term for the family wellbeing group. We have been looking at team work with some team games and team tasks. We have then taken this into the garden to start our challenge of growing our sweet pea tepee which represents the group's sense of family, community and safety. Hopefully if things grow (and it doesn't matter if they don't as we will find another way to achieve success and test our resilience) we shall be entering our project into the Lincolnshire Showground School's Challenge in June. Lots to look forward to next term!

We have limited spaces in the group. If you feel your family could benefit of working on resilience, communication and confidence with a hope of boosting your overall wellbeing please come and see Mrs Kerr.
