Louise Fenwick –Parent Governor

Hello! My name is Louise, and I'm proud to serve as a Parent Governor at Navenby Church of England Primary School. I have one daughter currently attending the school, and I'm passionate about ensuring every child has the best possible experience and opportunities. Professionally, I work as a Special Needs Teacher, which has given me a deep understanding of how to support all children in reaching their full potential. I bring this experience to the governing board, helping to ensure the school remains inclusive, nurturing, and ambitious to every pupil. I decided to become a Parent Governor because I want to

strengthen the link between families and the school, support the dedicated staff in achieving their goals, and contribute to the continued success and happiness of the pupils

Miss Sarah Sheardown – Teaching Governor

I joined Navenby School in September 2013 as the Year 5 teacher. I became the staff Governor in September 2019, with my role being to share ideas with the Governors and provide a valuable link between the Governing Body and the staff. In school, I currently teach the Year 6 class as well as acting as the KS2 Leader, part of the English Leadership team and I am the school's Deputy Headteacher.

Outside of my professional life, my main passion is travel. I was fortunate enough to travel the world for 10 months during a sabbatical academic year from 2016-2017, visiting Bali, Australia, Fiji, New Zealand, Thailand, Vietnam, Cambodia and Hong Kong. I am passionate about learning about other cultures in order to bring these experiences and learning opportunities to life within the classroom.

Mrs Sue Hellard- Co opted Governor

I was elected to the board of governors as a co-opted member in 2024. I have lived in Navenby for over 20 years and both my children were baptised at St Peter's Church and attended Navenby C of E Primary School. One is now an Infantry Officer in the Army, the other undertaking a Mathematics degree at Loughborough.

Having been an active member of FONS whilst my children attended the school, I continue to play an active role in the local community and maintain links to the school through Camo Day and Forces Club. I have a BEng(Hons) in Electronic Systems Engineering and served as an Engineering Officer in the RAF for almost 20 years. Since leaving the regular RAF I have continued to work part-time in uniform as a reservist, primarily in Cyber Defence, working all over the world including several deployments to Iraq and Afghanistan. Alongside this I have held a variety of other roles in other organisations including Sir William Robertson Academy and Lincolnshire County Council.

I am delighted to have the opportunity to continue to support the school community.
